CORAM: HON'BLE THE CHIEF JUSTICE

For the Petitioners: Mr. Prashant Pallav, A.S.G.I.
Ms. Shivani Jaluka, A.C. to A.S.G.I.

10/Dated: 25.03.2026

1. Heard Mr. Prashant Pallav, the learned A.S.G.I. for the review petitioner-Union of India.
2. This petition seeks review of the judgment and order dated 11.09.2019 dismissing L.P.A. No. 530 of 2012 against learned Single Judge's judgment and order dated 22nd February 2012, partly allowing W.P. (S) No. 5338 of 2004.
3. Mr. Pallav, learned A.S.G.I., submits that issue of interpretation of Office Memorandum dated 04.11.1993 (Annexure 1) was already considered by the Department. He submits that the case of R.N. Giri, with whom the respondent had claimed parity, was quite different. He submits that since these aspects have not been considered, a case for review is made out.

4. We have considered Mr. Prashant Pallav's contention and perused the record.

5. The learned Single Judge by judgment and order 22nd of February 2012 has only remanded the matter for consideration of the respondent's case in the light of Office Memorandum dated 04.11.1993 and the observations in the judgment and order dated 23.06.2004 disposing of W.P. (S) No. 832 of 2003. This decision of the learned Single Judge was not interfered with by the Division Bench, when disposing of L.P.A. No. 530 of 2012.

6. The contention now raised was sought to be raised by the Union of India before the Letters Patent Bench. However, the Letters Patent Bench noted that since this was a case of remand, no opinion needs be expressed on merits because expression of any such opinion might prejudice both the parties. The LPA was accordingly disposed of with observations.

7. We are satisfied that there is no error apparent on the face of record or any other ground for exercise of our review jurisdiction. Therefore, we dismiss this review petition. No costs.

8. The matter must now be disposed of by the appropriate authority in terms of the remand order within two months from today, if not already disposed of.

9. Pending interim applications, if any, will not survive and are disposed of.
