DATE : 22.10.2026

PER COURT :-

1. The applicant is seeking recall and review of the order passed by this Court on 25.08.2026.

2. The order dated 25.08.2026 was passed upon the statement made by the learned advocate for the petitioner that, due to the subsequent order passed by the learned Principal District Judge, Jalna, the Writ Petition had become infructuous. Based on the statement made by the learned advocate for the petitioner, the Writ Petition has been disposed of by this Court.

3. Now, the applicant who is original petitioner is seeking recall of the order on the ground that, as per the list annexed to the Civil Application, the case of the petitioner was shown to

be transferred from Court of Principal Civil Judge Senior Division, Jalna to the 4th Joint Civil Judge Senior Division, Jalna. Therefore, a prayer was made by the petitioner in Writ Petition seeking transfer of the pending suit before the Principal Civil Judge Senior Division, Jalna was rendered infructuous. Based on the statement made by the learned advocate for the petitioner, this Court has disposed of the Writ Petition. However, now he is seeking recall of the order on the ground that, although relying on the list of transfer cases, which has shown transfer of his case to the 4th Civil Judge Senior Division, Jalna he has made a statement resulting into the disposal of the writ Petition. It has now come to his knowledge that, the case was again transferred from the 4th Joint Civil Judge Senior Division, Jalna to the Court of Principal Civil Judge Senior Division Court, Jalna. Hence, his grievance is revived and he wants the recall of the order.

4. Considering the events that have occurred, in my view, there is no case for reviewing the order passed by this Court. In view of the subsequent transfer of his case again from the Court of the 4th Joint Civil Judge Senior Division, Jalna to the Court of Principal Civil Judge Senior Division Court, Jalna, it has given fresh cause of action to the petitioner and the

petitioner would be at liberty to file appropriate proceedings against the said order. Hence, the Review Application is dismissed for want of merits.

5. Civil Application for review is disposed of with liberty to the applicant to resort to appropriate remedy as is available under the law.
