FINAL ORDER :-

1. Heard both sides. Taken up for final disposal with the consent of the parties.
2. Appellants are challenging common judgment and award in respective references. They are claiming enhancement of the compensation and the benefit of escalation on the ground of parity. For that purpose, reliance is placed on consistent view being taken by this Court in numerous matters. One such elaborate judgment is passed in the matter of *Pralhad Annasaheb Nirwal Vs. State of Maharashtra and others in First Appeal No.1778 of 2024* with connected matters on 11.12.2025.
3. Learned counsel for the respondents would oppose the submissions. It is submitted that the ground of parity is not attracted in the appeals.

Appellants have failed to make a case for enhancement and the appeals are liable to be rejected.

4. In the present cases, the land from village Digras (Bk), Taluka Sailu, District Parbhani has been acquired for 'Nimna Dudhana Project'. The lands have been classified as dry lands. The classification has not been disputed by both the parties. The notification under Section 4 of the Land Acquisition Act, 1894, was issued on 22.02.2006 which is relevant for determining the escalation.

5. Following are the material particulars of the appeals :
