**CORAM : SHAILESH P. BRAHME, J.**  
**DATE : 10TH APRIL, 2026.**

**FINAL ORDER :**

. Heard both sides finally.

2. The acquiring body has preferred these appeals against common judgment and award dated 09.10.2023 awarding compensation at the rate of Rs. 4,762/- per R to the claimants – respondents, which is stated to be exorbitant and unreasonable.

3. Appellants have undertaken acquisition for laying down new railway track from Ahmednagar – Beed – Parli. Lands from various villages have been acquired, which resulted into filing of various references. Those were decided by forming groups by the Reference Court. The judgments passed by the Courts are subjected to challenge by the acquiring body as well as the claimants in few of the matters. In the present group the claimants have not preferred any cross objection or appeal. The lands are from village Sheri (Bk), Tq. Ashti, Dist. Beed.

4. Following are the material particulars :

| Sr. No. | First Appeal No. | L.A.R. No. | Gut No. | Area acquired | Date of Sec. 4 notification | Rate awarded by the SLAO                                       | Rate fixed by the Reference Court. |

5. The lands of the respondents were treated to be irrigated lands. The Special Land Acquisition Officer (for the sake of brevity and convenience hereinafter referred as to the “S.L.A.O.”)

offered rate ranging from Rs. 1,150/- to 1,350/- per R. Award was passed on 20.07.2010. The rate is enhanced to Rs. 4,762/- per R by the Reference Court. The possession was taken on 09.07.2010. The group is decided by the Reference Court referring to papers of L. A. R. No. 684 of 2014.

6. Mr. Ajay Talhar, learned D. S. G. I. submits that Reference Court committed error of jurisdiction in enhancing the rate which is not supported by adequate material. It is submitted that S.L.A.O. had undertaken due procedure of law and inspection was done. The documents were collected to arrive at market rate. As against that the sale instances placed before the Reference Court were incompatible. The reliance on the rate fixed in L. A. R. No. 191 of 2014 is arbitrary and illegal. It is submitted that considering the location and the potential of the lands under acquisition, the Reference Court erred in enhancing the rate. The Reference Court further committed illegality in granting statutory benefits of solatium and additional component.

7. Per contra, learned counsels appearing for the respondents – claimants support the impugned judgment and award. They would submit that on the ground of parity the Reference Court cautiously adopted the rate given in L.A.R. No. 191 of 2014 after considering relevant aspects of the matter. It is further submitted that when the sale instance at Exhibit 39 was treated to be compatible, the deduction of 70% was unreasonable. In

fact, the claimants are entitled to receive more rate than awarded by the Reference Court, but they have not preferred any appeal due to precarious financial condition. The statutory benefits awarded by the Reference Court cannot be faulted with.

8. I have considered rival submissions of the parties. I have formulated following points for determination.

- I. Whether the enhancement granted by the Reference Court is liable to be quashed ?
- II Whether the statutory benefits extended by the Reference Court are in accordance with law ?

9. The respondents adduced oral and documentary evidence. The evidence adduced in L.A.R. No. 684 of 2014 was taken into account. The lands from village Sheri Budruk were acquired for new railway line. The preliminary notification under section 04 of the L. A. Act was issued on 18.12.2008. Respondents relied on sale deed dated 07.08.2002 at Exhibit 35 and 02.02.2000 at Exhibit 39. They also produced on record common judgment dated 23.11.2022 passed in LAR No. 191 of 2014. The appellant did not adduce any oral evidence but only relied upon the award passed by the Special Land Acquisition Officer.

10. Point No. I :

The respondents / claimants have produced evidence on record to show that the lands acquired are irrigated lands. The

oral evidence is corroborated by 7 / 12 extract showing crop pattern. Appellant did not challenge the classification of the land. Therefore, it can be safely treated that the lands under acquisition are bagayat lands.

11. The reference Court was conscious of the law laid down by the Supreme Court in the matter of Chimanlal Hargovinddas Vs. Special Land Acquisition Officer, and others reported in *MANA/SC/0071/1988* laying down that the award of the Land Acquisition Officer is not a judgment of the trial Court but it is merely an offer of the rates. The proceedings before the reference Court are original in nature and it would be open for the parties to lead evidence before it. The judgment of Municipal Corporation of Greater Bombay, Mumbai Vs. State of Maharashtra and others reported in *2009(2) All MR 270* was also taken into account for determining the probable market value of the land under acquisition. It further reveals that the ratio laid down in Meharwal Khewalji Trust, Faridkot and others V. State of Punjab and others reported in *AIR 2012 SC 2721* was kept in mind which shows that the highest rate of the sale exemplar if it is *bona fide* and akin to the nature of the land needs, is to be accepted.

12. Two sale instances are produced on record. The preliminary notification was issued on 18.12.2008. The rate in the sale exemplar at Exhibit 35 was Rs.9,000/- per R and in case of Exhibit 39, Rs.10,000/- per R. The rate in Exhibit 39 was closer to the approximate market value of the acquired land

because in that case 20 R of dry land was sold. Whereas the lands under acquisition are bagayat lands. The reference Court deducted 70% because there was difference in the lands under acquisition and the land in the sale exemplar considering the location and potentiality. It is vulnerable. The respondents did not claim any enhancement by challenging the findings in respect of the rate fixed by the reference Court. Hence, it is not necessary to examine as to whether the respondents / claimants are entitled to more amount than fixed by the reference Court.

13. The reference Court fixed the rate on the basis of common judgment dated 23.11.2022 passed in LAR No. 191 of 2014. I have gone through a copy of the judgment. In that case also, lands from village Sheri stood acquired for new railway line. The sale example which is at Exhibit 39 dated 02.02.2000 and further two sale instances were pressed into service. The sale instance dated 02.02.2000 was accepted and rate of Rs.4,762/- was arrived at. There is room to say that considering the sale exemplar, more rate could have been fixed but in the absence of any challenge by the respondents / claimants, the exercise is unwarranted in the present case.

14. It further reveals from record that in couple of matters reliance is placed on the judgment dated 23.11.2022 passed in L.A.R. No. 205 of 2014 fixing the rate at Rs. 4,762/- per R for dry land and Rs. 5,738/- per R for irrigated land. The judgment passed in L.A.R. No. 191 of 2014 and L.A.R. No. 205 of 2024 have

not been challenged by either of the parties. Those are conclusive and final. Therefore, the Reference Court is justified in adopting rate of Rs. 4,762/- per R for dry land.

15. The reference Court accepted rate of Rs.4,762/- per R, by adopting the rate from LAR No. 191 of 2014. The discretion has been exercised judiciously and reasonably. There is no reason to discard the rate. There is always some element of guesswork in fixation of the probable market value. It is permissible to have guesstimate as explained by the Hon'ble Apex Court in *Trishala Jain V. State of Uttaranchal*, which is rightly followed by the reference Court. I do not find any illegality in fixing the rate by the reference Court. The appellant has failed to make out any case to cause interference in fixing the rate which is reasonable and akin to the market value at the prevalent time.

16. Point No. II

The reference Court has assigned reason for not granting interest under section 34 of the Land Acquisition Act. The possession was taken from the claimants on 29.07.2010 immediately after passing of the award on 20.07.2010. It is admitted by the respondents that the notice under section 12(2) was issued on 28.07.2010. The claimants are entitled to get interest U/Sec 28 of the L. A. Act. I find that no illegality is committed by the reference Court in awarding the interest. Needless to state that respondents are entitled to receive interest in view of *State of Maharashtra V. Kailash Shiva Rangari* reported in

*2016(3) Mh.L.J. 457.*

17. The claimants are entitled to receive benefit U/Sec. 23(1-A) of the L. A. Act, which is rightly awarded by the Reference Court. No case is made out by the appellant as to how the statutory benefits including interest are not in accordance with law.

18. It is made clear that dismissal of these Appeals preferred by the acquiring body would not bind any other the claimants' whose lands have been acquired for the selfsame project in claiming enhancement of the compensation by preferring independent Appeals or the Cross-Objections. Their claim for any further enhancement would be dealt with in accordance with law and on the basis of the evidence produced on record.

19. It is further clarified that the counsels appearing for the respondents/claimants have made candid statement that their clients are unable to prefer any appeal or cross objection for enhancement in the High Court. They are precluded from claiming enhancement in future.

20. For the reasons stated above, I do not find that there is any perversity or illegality in the judgment and award passed by the reference Court. The Appeals preferred by the acquiring body sans merit. Hence, I pass the following order :

**O R D E R**

- A. First Appeals are dismissed.
- B. Award be drawn accordingly.
- C. There shall be no order as to costs.
- D. The amount deposited by the appellants – acquiring body shall be disbursed to the respondents – claimants with accrued interest as per their entitlement.
- E. In case the amount is not deposited, appellants shall make the payment expeditiously.
- F. All pending civil applications for stay stand disposed of.

**[ SHAILESH P. BRAHME J. ]**
