CORAM : RAJNISH R. VYAS, J.
DATE : 12th JANUARY, 2026

PER COURT :

. At the outset, learned counsel for the applicant fairly submitted that she will have to challenge the judgment impugned by preferring criminal revision application and not criminal appeal. In view of the same, she seeks permission to withdraw the appeal and file the revision application.

2. Permission is granted with the liberty as prayed for. Criminal appeal is disposed of as withdrawn. In view of disposal of appeal, nothing survives in the application. Same also stands disposed of accordingly.
