3. Mr. Pande, learned counsel for the applicants - claimants submits that it is not disputed that the properties of the applicants are acquired by the acquiring body. The entitlement of the applicants - claimants for compensation has been adjudicated by the reference court on appreciating the evidence on record and examining the facts. The applicants have legitimate right to receive the compensation, which is enhanced by learned reference court. As the applicants are in dire need of money and as their sole source of earning has been acquired by the acquiring body, they are left with no choice than to file the present applications.

4. Mr. Pande, learned counsel for the applicants, places reliance on the order dated 21.11.2016 passed by this Court in Civil Application

No.14037 of 2016 in FA No.1679/2014 with connected matters. Mr. Pande, learned counsel, submits that the cited matters, arise out of the same land acquisition proceedings and the land acquisition notification as also the award, which are the subject matters of present appeals and applications. He would submit that the order dated 21.11.2018 (supra) was passed after hearing the concerned parties, mainly, the acquiring body, on its own merits and thereafter, this court permitted the applicants therein to withdraw 50% of the amount deposited by furnishing undertaking to the satisfaction of learned Registrar (Judicial). He would further submit that they were also permitted to withdraw 25% of the deposited amount, on furnishing solvent security/surety for the like amount and balance 25% amount on furnishing Bank guarantee of any scheduled bank. Mr. Pande also submits that in the said order, this court has taken a note of the order dated 11.09.2011, passed by the Division Bench of this court in Civil Application No.11629 of 2015 with connected matters so also the order passed in Civil Application No.9727 of 2015 passed by learned single Judge of this court.

5. Mr. Pande, learned counsel for the applicants, would also cite another order passed by this Court on 04.09.2025, in Civil Application No.9440 of 2025 in FAST No.31185/2023, whereby, this court permitted withdrawal of 50% of the amount with accrued interest, on furnishing undertaking and 50% amount on furnishing solvent security/surety. Mr.

Pande would also invite attention of the court to the order dated 08.08.2025, passed by this court in Civil Application No.8191 of 2025 in FA No.2321 of 2014, whereby, withdraw of amount has been permitted on the same lines.

6. Mr. Pande, learned counsel for the applicants, now, submits that as the cited orders, permitting withdrawal of amount, arise out of one and same land acquisition proceedings and land acquisition notification, present applicants may also be permitted to withdraw the deposited amount in the same mode, on the principle of parity.

7. Mr. Gaddime, learned counsel for the acquiring body, opposes withdrawal of amount by the applicants. He, however, agrees with the cited orders and that the matter pertains to the same land acquisition proceedings, award and notification. He agrees that the present appeals are also based on the same objections, which have been raised in the appeals in the cited cases. He would submit that the acquiring body, however, may have objection to the findings recorded by the reference court, which the acquiring body would demonstrate at the time of hearing of the appeals.

8. In view of the above, I pass the following order:-

(i) The applicants are permitted to withdraw 50% of the deposited amount along with interest accrued thereon, on furnishing an

undertaking to the effect that in the event of success of the acquiring body in the appeals, the applicants shall redeposit the amount within a period of three months from such decision in the office of this court.

(ii) The remaining 50% of the amount along with accrued interest thereon, is permitted to be withdrawn, on furnishing solvent surety/security to the satisfaction of learned Registrar (Judicial) of this Court.

(iii) The applications stand disposed of accordingly.

Civil Applications for grant of stay:-

9. The present Civil Application are filed for stay to the impugned orders in the respective First Appeals. Considering the averments made in the applications, the effect, operation and implementation of the impugned order is stayed upon condition that the applications/appellants shall deposit remaining 50% of the amount granted by the Reference Court within a period of ten weeks from the date of this order.
