DATE : 09.02.2026

PER COURT :

1. By this Review Application, the applicants seek review of the order passed by this Court dated 18th December 2025. The learned counsel for the applicants has reiterated the arguments which were advanced when the writ petition was decided. However, the learned counsel has not pointed out any error apparent on the face of the record committed by this Court while passing the order dated 18th December 2025.

2. In view of the above, I am not inclined to entertain the Review Application. The learned counsel for the applicants, however, pointed out certain typographical errors in the order dated 18th December 2025. It is submitted that in paragraph No.4, the property is mentioned as Gat No.15, whereas it should be Survey No.16 / Gat No.16. Further, in

paragraph No.1, Exhibit “56” is mentioned instead of Exhibit “5”.

3. Therefore, to the aforesaid extent, necessary corrections be carried out and a corrected copy be uploaded.

4. With the above directions, the Review Application stands dismissed.
