**CORAM : R.G. AVACHAT AND
AJIT B. KADETHANKAR, JJ.**

DATE : 28th JANUARY, 2026.

ORAL ORDER: [PER AJIT B. KADETHANKAR, J.]:

1. Heard Mr. Pokale, learned Counsel for the petitioners, learned A.G.Ps', for Respondent No.1 – State and Mr. Khamkar, learned Counsel for respondent No.2 - The Maharashtra State Board of Secondary and Higher Secondary Education, Pune.

2. The common objection raised in all three petitions is that the examination centres of the petitioner - schools designated for conducting the H.S.C. examination have been cancelled by Respondent No.2 viz; The Maharashtra State Board of Secondary and Higher Secondary Education, Pune, on the ground that instances of examination malpractice were noticed at the said centres.”

3. Mr. Khamkar, learned Counsel for Respondent No. 2 has placed on record an affidavit and submits that the written H.S.C. examination is to

commence from 10th February, 2026. Learned Counsel would submit that pursuant to cancellation of examination centres of the petitioners, respondent No.2-Authorities have even allotted examination centres to all the students of those three schools and alternate arrangement has been properly made. He would submit that accordingly alternate examination centres have also been mentioned in the hall tickets which were long back issued to the students. He would submit that, in these circumstances, any change in the examination centres, at this juncture, would hamper the educational careers of the students, and therefore no directions be issued for changing the examination centres at this stage.

4. Learned Counsel for respondent No.2 has placed on record order of this Court (Principal Seat) passed in Writ Petition No.17576 of 2025 on 20th January, 2026 wherein in the identical set of facts, this Court allowed the petition partly and restored the examination centers of the petitioner therein for further examinations.

5. Mr. Pokale, learned Counsel, submits that the alleged instances of malpractice at the petitioners' schools were not at the instance of any staff member of the schools, and Respondent No. 2-Authority does not even allege that any staff of the School Management was involved in copying

malpractice. He would submit that even if certain instances have been brought to light, the same pertain only to an individual student, and on that basis, the examination centres of the petitioners ought not to be cancelled.

6. Mr. Khamkar, learned Counsel for Respondent No. 2 has fairly agreed that these are not cases in which the School Management or staff of the petitioners were involved in any malpractice in the examinations, and he would agree that the cases pertain solely to individual students.

7. In view of the foregoing, we find that the cancellation of the examination centres of the petitioners cannot be sustained. Accordingly, the petitions are partly allowed, with a direction to restore the examination centres of the petitioners for future examinations, excluding the upcoming H.S.C. examination; that is, after the conclusion of the H.S.C. examinations for the academic year 2025-2026.

8. The petitions stand disposed of in the aforesaid terms. No order as to costs.
