P.C. :

It is stated at the Bar that 43 candidates who have qualified for the post of Civil Judge Junior Division and Judicial Magistrate First Class in the recruitment process of 2022 conducted pursuant to the Advertisement No.26 of 2023 have been given appointment letters. Whether or not all those 43 selected candidates have tendered their joining is not specifically stated by the learned counsels for the petitioners. They have, however, submitted that the list of selected candidates falling within the prescribed norms pursuant to the Recruitment Process-2023 is required to be revised in view of the fact that the 43 candidates selected in the Recruitment Process-2022

have been included in the select list for the Recruitment Process-2023.

2. Accepting the statements made at the Bar by the learned counsels for the petitioners, we direct that the Maharashtra Public Service Commission shall publish a list of candidates who shall be called for the interview as per the extant rules and norms and of course if they are qualifying the benchmark. It is, however, made clear that all the newly added candidates from the Recruitment Process-2023 shall be provisionally permitted to participate in the interview for the post of Civil Judge Junior Division and Judicial Magistrate First Class and the final decision shall rest with the High Court. Those newly added candidates shall not claim any equity on whatsoever ground even if they secure highest cumulative marks. On this understanding and with a rider that if any selected candidate in the Recruitment Process-2022 has not tendered joining the number shall decrease accordingly.
