3. As per order dated 27th November, 2025, the report of the Chartered Accountant is placed on record. The conclusion of the report is that the applicant was in active employment with Enar Chemie Private Limited and Enar Foundation Research Centre at the time of the death of the deceased.

4. An objection has been taken by Mr. Vora, learned Counsel appearing for the Original Petitioner, that the applicant was an employee of Enar Foundation Research Centre at the time when the succession opened. The said fact is not disputed by Ms. Patankar learned Counsel appearing for the applicant. Considering that both the counsel agree that at the time when the succession opened, the applicant was an active employee with Enar Foundation Research Centre, the Chartered Accountant is directed to compute the amount which would be payable to the applicant under the Will of the deceased by taking into consideration his employment with only Enar Foundation Research Centre.
