P.C.:

1. Heard the petitioner in-person.
2. The petitioner makes a grievance that he was not given an adequate opportunity to argue the review petition. He therefore submitted the written notes of arguments on record.
3. The petitioner wants us to virtually rehear the writ petition by contending that this Court has committed an error apparent on the face of record. We do not find any error apparent on the face of record. Hence, we are not inclined to interfere in the exercise of review jurisdiction of this Court.
4. Review petition is rejected.
