2. Mr. Hariani submits that, the reason for dissolution is that the Companies do not have any funds or assets and /or recoverable debts. He further points out that though claims had been invited, no claims have been received and thus it would be of no use to continue with liquidation process.

3. Having heard learned counsel and having perused the Official Liquidator Reports, I find merit in the submissions made, the Official Liquidator has set out that the Company does not have any funds or assets and /or recoverable debts therefore, the continuation of the liquidation process would be an exercise in futility and would endeavor to the benefits of none.

4 Hence the Official Liquidator Reports are accordingly allowed and disposed of.
