ORDER:

INTERIM APPLICATION (L) NO. 4180 OF 2026

1. This application is filed by the defendant seeking leave to amend the written statement to bring on record the subsequent

developments. The proposed amendments are annexed at scheduled-A to the application along with the documents referred to in the proposed amendment. Learned counsel for the defendant submits that all the proposed amendments pertain to the subsequent developments regarding orders passed by the NCLT, appointing liquidator and in the events occurred after the liquidator is appointed.

2. Learned counsel for the plaintiff tendered affidavit-in-reply, dated 5th March 2026, opposing amendment application. The affidavit-in-reply is taken on record. Though the prayer for amendment is opposed, there is no dispute that the proposed amendments pertain to the subsequent developments.

3. I have perused the application. In view of the subsequent developments, the defendant would be entitled to bring on record the subsequent events by amending the written statement. For the reasons stated in the application, it is allowed in terms of prayer clause (a) and (b). Amendment to be carried out within four weeks. The amended copy shall be served upon the learned advocate for the plaintiff.
