The Court made the following order:

The present Writ Petition is filed questioning the action of the Respondents in not releasing the admitted due amount to a tune of 20,99,250/- (Twenty Lakhs Ninety Nine Thousand Two Hundred Fifty Rupees), together with interest thereon @ 24% per annum to the Petitioner-College towards reimbursement of the expenditure incurred by them under the 'Reimbursement of Tuition Fee (RTF) scheme' for the academic years 2017-18 to 2019-20.

2. The facts leading to filing of this writ petition are as follows:

The Petitioner is a private unaided college. In order to promote academic education in the State, the State Government had introduced a scheme originally titled as Right to Tuition Fee (RTE) and Maintenance Fee of Student (MTF) through the Social Welfare Department. The students are allotted to the Petitioner-College through the Social Welfare Department. For the academic years 2017-18 to 2019-20, the Petitioner-College was allotted students as per the schemes, but the amounts were not credited to the college accounts though there is no dispute with regard to the amount due.

3. It is further stated that “Jnanabhumi” smart portal was created to streamline the post-matric scholarships ecosystem vide G.O.Ms.No.45, Social Welfare (Edn.2) Department, dated 09.06.2017. It is stated that the said portal has all the details of the colleges and the students admitted, among other stakeholder details. Vide G.O.Ms.No.81, Social Welfare (Edn.2) Department,

dated 07.05.2019, the Jnanabhumi portal was modified for better services. It is stated that the amounts due to the colleges under RTF and MTF schemes would be available on this “Jnanabhumi” portal with details of the students.

4. Learned counsel for the Petitioner submits that, in the face of the availability of details of amounts due to the Petitioner-College under the above-mentioned schemes, there is no justification to delay the payments.

5. Learned Government Pleader, on instructions received from the respondent authorities, submits that the Petitioner-College has wrongly described the claimed amount as “admitted dues” under the fee reimbursement scheme. It is submitted that the said amount represents only the Petitioner’s claim and not admitted dues. The dues are calculated strictly in accordance with the data available on the Jnanabhumi portal, which is the online platform for registration of applications, verification, processing, and release of fee reimbursement amounts.

6. Considering the submissions on both sides, this Writ Petition is disposed of, with the following directions:-

(i) The Respondents concerned are directed to examine the claim of the Petitioner-College as per the Jnanabhumi portal within a period of eight (08) weeks from the date of receipt of a copy of this order.

(ii) On verification, the amount due to the Petitioner shall be paid to the Petitioner within a period of three (03) months thereafter.

(iii) There shall be no order as to costs.

As a sequel, the miscellaneous petitions, if any, pending in this Petition shall stand closed.
