2. Heard learned counsel for the petitioner, the learned Assistant Government Pleader for Irrigation and the learned Assistant Government Pleader for Finance and Planning.

3. The petitioner claims to be a registered contractor engaged in the execution of civil works and that he was entrusted with various works of the Irrigation Department on a tender basis. It is the case of the petitioner that he was awarded a contract for execution of the works viz. (1) Flood damage repairs to left canal of anicut across Maderu Vagu Zaddangi (V) Rajavommangi (M), East Godavari District and (2) Fabrication, Supply and Erection of shutter for right side Scour Sluice of anicut and gates of anicut across Maderu Vagu Zaddangi (V) Rajavommangi (M), East Godavari District. It is the case of the petitioner that he executed the works to the satisfaction of the authorities concerned, and upon completion of the works, the respondent

authorities measured the same and recorded the measurements in the Measurement Books.

4. It is the grievance of the petitioner that notwithstanding the completion of the works and its measurement by the competent authorities, the amount due towards the executed works has not been paid till date. According to the petitioner, although the works were completed long back, the respondent authorities are not releasing the admitted amount payable to him. Aggrieved by the non-payment of the said amount, the petitioner filed the present Writ Petition.

5. Having regard to the fact that *in spite* of granting number of adjournments, the respondent authorities neither secured written instructions nor filed counter-affidavits, the respondent authorities are directed to verify and pay the admitted amount for the works executed by the petitioner within a period of Eight (8) weeks from the date of receipt of a copy of this order. It is made clear that the petitioner shall execute an indemnity bond to the effect that in case, if it is found that the petitioner has not executed the works, he would repay the amount so paid.

6. Accordingly, the Writ Petition is disposed of. There shall be no order as to costs.

As a sequel thereto, the Interlocutory Applications, if any, pending in this Writ Petition, shall stand closed.
