2. GP FOR REVENUE

THE HONOURABLE SRI JUSTICE MAHESWARA RAO KUNCHEAM

WRIT PETITION Nos: 31558 and 31617 of 2026

COMMON ORDER:

As the issue involved in both the Writ Petitions is one and the same and in view of the consent expressed by both the parties, the batch of Writ Petitions is disposed of by way of this common order.

2. Writ Petition No.31558 of 2026 has been filed under Article 226 of the Constitution of India seeking the following relief:

> *"……to issue an appropriate Writ, Order or Direction, more particularly one in the nature of a Writ of Mandamus, declaring the action of the Respondents, more particularly the Respondent Nos.3 to 5, in not renewing the License No. 34845/M3, after the paying the valid considerations to the respondent No.3 made for renewal, dated 18.02.2026 vide APTC FORM-10, Challan No. 91368738902025 and placing the Petitioner's valid Fire No Objection Certificate issued to the Petitioners LE-1 Fire Crackers Manufacturing Unit in kept pending, as illegal, arbitrary, unreasonable, violative of Articles 14, 19(1) (g) and 21 of the Constitution of India, contrary to the provisions of the Explosives Act, 1884 and the Explosives Rules, 2008 and opposed to the principles of natural justice and consequently direct the Respondents to consider the Petitioner's application for renewal of the Fire No Objection Certificate and grant licenses without reference to the impugned proceedings….."*

3. Writ Petition No.31617 of 2026 has been filed under Article 226 of the Constitution of India seeking the following relief:

> *"…..to issue an appropriate Writ, Order or Direction, more particularly one in the nature of a Writ of Mandamus, declaring the action of the Respondents, more particularly the Respondent Nos. 3 to 5, in not renewing the License No.03/2018 after the paying the valid*

considerations to the respondent nos. 3 and 4 made for renewal, dated 23.01.2026 and 08.04.2026 vide APTC FORM-10, Challan No. 91332556272025 and 11007923792026 and placing the Petitioner's valid Fire No Objection Certificate issued to the Petitioner's LE-1 Fire Crackers Manufacturing Unit in kept pending, as illegal, arbitrary, unreasonable, violative of Articles 14, 19(1)(g) and 21 of the Constitution of India, contrary to the provisions of the Explosives Act, 1884 and the Explosives Rules, 2008, and opposed to the principles of natural justice, and consequently direct the respondents to consider the Petitioner's application for renewal of the Fire No Objection Certificate and grant licenses without reference to the impugned proceedings".

4. Heard learned counsel for the petitioners and learned Assistant Government Pleader for Home as well as learned Assistant Government Pleader for Revenue appearing for the respondents and perused the entire material available on record.

5. As per the facts pleaded by the petitioners, earlier licences were granted to the petitioners to manufacture fireworks. On the basis of the said licences granted in their favour, it is stated that the petitioners have been carrying on the business of manufacturing fireworks for a considerable period. While so, the said licences granted in favour of the petitioners stood expired.

6. It is also asserted that the petitioners have submitted an application before the competent authority for renewal of the said licences within the prescribed period. Learned counsel for the petitioners draw attention of this Court the following information in respect of their assertions:

Writ Petition No. and party names	Type of Licence and Licence No.	Licence Issued date	Licence expired on	APTC FORM 10 Challan Nos./Date
WP No.31558 of 2026 Tatapudi Chinni vs The State of AP & others	LE-1-Quantity-15 kgs Licence No. 34845/M3	18.02.2026	31.03.2026	91368738902025, dt: 18.02.2026
WP No.31617 of 2026 MD Nagina Begum vs The State of AP & others	LE-1-Quantity-15 kgs Licence No. 03/2018	23. 01.2026 & 18.04.2026	31.03.2026	1)91332556272025, Dt: 23.01.2026 2)11007923792026, Dt: 08.04.2026

7. Learned counsels further adds that the said applications preferred by the petitioners are still pending consideration before the competent authority and no order either renewing the said licences or rejecting the same has been passed till now.

8. Petitioners state that they have been continuing their business in manufacturing fireworks for all this length of time pending the applications for renewal of their licences. It is the grievance of the writ petitioners that the respondents are now objecting the petitioners business works such as manufacture of fireworks, without any valid reason at all.

9. Learned Assistant Government Pleader for Home has not disputed the pendency of petitioners' applications for renewal of licenses before competent authority. However, he states that in view of unfortunate incidents, the authorities are verifying the ground realities so far as statutory violations across State of Andhra Pradesh.

10. The Explosives Act, 1884 is a special enactment. In terms of the Sections 5 and 7 of the Explosives Act, and in supersession of the Explosive Rules 1983, the Central Government issued the Explosives Rules, 2008. In this context, it is relevant to note Rule 112(5) of the Explosives Rules, 2008, which reads as follows:

> *"R.112(5). If the application for renewal reaches the renewing or licensing authority on or before the date of expiry, the licence shall be deemed to be in force until such date as the licensing authority renews the licence or until an intimation that the renewal of the licence is refused has been communicated to the applicant."*
>
> *Emphasis supplied.*

11. A reading of the aforesaid rule makes it manifest that, it is a deeming provision and the relevant rule mandates that when the application for renewal that was submitted by the applicant reaches the renewing or licensing authority before the date of expiry, the licence shall be deemed to be in force, until such date as the licensing authority renews the licence or until an intimation that the renewal of the licence is refused has been communicated to the applicant.

12. It is also apt to note Rule 116 of the Explosives Rules, 2008, which is as under:

> ***116. Refusal to amend or renew a licence*** *---*
>
> *(1) The licensing authority refusing to amend or renew a licence shall record the reasons for such refusal in writing.*

(2) The licensing authority shall refuse to renew a licence if such licence can be revoked in accordance with the Act or these rules.

(3) A brief statement of reasons for refusal to renew a licence shall be given to the holder of the licence on demand unless in any case the licensing authority is of the opinion that it will not be in public interest to furnish such statement.

(4) Where the renewal of the licence is refused, the fee paid for the renewal shall be refunded to the licensee after deducting the proportionate fee for the period beginning from the date from which the licence was to be renewed up to the date from which renewal thereof is refused.

(5) Before refusing renewal of a licence under the rule, the holder of the licence shall be given an opportunity of being heard.

13. As seen from the material on record and even as per the submission made by learned Assistant Government Pleader for Home, the applications submitted by the petitioners for renewal of licences are still pending consideration before the competent authority. No decision either renewing the said licences or rejecting the same has been taken till now by the competent authority. Therefore, as per Rule 112(5) of the Explosives Rules, 2008, which is a deeming provision, the licences that were earlier granted to the petitioners are deemed to be in force as of now. Further, Rule 116 of the very same Explosives Rules, 2008 is also apt in this context.

14. In a similar situation, earlier the High Court of Andhra Pradesh, in W.P.No.27884, 27898 and 27917 of 2022 vide Common Order dated 06.09.2022, while considering the similar grievance, ordered the police officials therein not to interfere with the business activity of the petitioners therein. It is also brought to the notice of this Court that the orders passed in

W.P.No.27884, 27898 and 27917 of 2022 vide Common Order dated 06.09.2022 attained finality. Therefore, relying on the aforesaid orders, this Court inclined to follow the same dictum in the present Writ Petition too. Accordingly, petitioners, who are similarly placed, are also entitled to the same relief in the instant Writ Petition as well.

15. As such, in view of the said clear legal position, when the licences, which were granted to the petitioners, are deemed to be in force, the respondents are not justified in interfering with the business activities of the petitioners in manufacturing the fireworks.

16. Consequently, the Writ Petitions are allowed, directing the respondent-officials and personnel not to interfere with the business activities of the petitioners in manufacturing fireworks during the pendency of petitioners' applications for renewal of licences. However, the petitioners shall comply with the other requirements contemplated under law. It is made clear that respondent authorities are at liberty to issue prior notice and take appropriate steps in accordance with the law, in the event of any violation of statutory provisions as well Rules in vogue. No order as to costs.

Interlocutory applications, if any, pending shall stand closed.

JUSTICE MAHESWARA RAO KUNCHEAM
