ORDER

The present writ petition has been filed for the following relief :

“ To issue a Writ of Certiorarified Mandamus calling for the records relating to the impugned order made in Lr. AE/O&M/SIDCO/File. Mi.Thu/A. No.061/ 2025 dated Nil -12- 2025, passed by the 2nd respondent, quash the same and consequently forbear the respondents from interfering with the petitioner right to use the EB Service Connection No.067-002-1006 in compliance with the direction given in the final order dated 23.07.2025 made in W.P. No.21172 of 2017”

2. The case of the petitioner is that a property measuring an extent of 1.10 acres in SF.Nos.4/2A, 4/2B and 4/2C of Motham Agraharam Village is a no

man's land. The petitioner's father along with 150 families have occupied the entire subject property in the year 1990. His father had put up a construction and the property was assessed to property tax. The electricity service connection for the property stands in the name of the petitioner's father late.P.Raman. The petitioner's father died on 14.03.2025. After the demise of his father, the petitioner, his younger brother and his mother was in occupation of the subject property.

3. The petitioner would submit that his family has been living in the subject property for more than 30 years. Be that as it may, the third respondent claiming himself to be the owner of the property in SF.No.4/2A, had requested the second respondent to disconnect the electricity service connection given in the subject property. His request was turned down by the second respondent vide his letter dated 02.03.2017. Aggrieved by the same, the third respondent herein had approached this Court in W.P.No.21172 of 2017, to disconnect the EB service connection granted to the occupants of the subject property, describing them as trespassers. This Court by its order dated 23.07.2025, had held that if the third respondent claims that the occupants therein are the trespassers of the property, and for evicting them, the appropriate remedy open to him was to approach the civil Court and thereupon, the petitioner can approach the TANGEDCO for disconnecting the service connection.

4. The petitioner's contention is that the third respondent with an oblique motive to evict the petitioner and other occupants from the subject property, had approached the second respondent herein. The second respondent without even carefully reading the orders passed by this Court in W.P.No.21172 of 2017, had passed the impugned order, as if this Court had directed them to disconnect the electricity service connection in No.067-002-1006. Hence, the petitioner is before this Court to quash the impugned order passed by the second respondent.

5. Heard the learned counsel for the petitioner and the Mr.S.Madhusudanan, learned Standing Counsel appearing of behalf of respondents 1 and 2 and this Court also perused the materials placed before it.

6. Mr.S.Madhusudanan, learned Standing Counsel appearing for the respondents 1 and 2, on instructions would submit that the respondents-TANGEDCO is withdrawing the impugned notification issued by them, with regard to disconnecting the electricity survey connection of the petitioner's subject property.
