COMMON ORDER

“It is seen that the delay has occurred only in respect of re-presenting the

original petition filed against the award passed by the first respondent Arbitrator and not in filing the same. Admittedly, this Court has dealt with umpteen number of cases, extending some leniency for condoning the delay. Applying the same analogy and also considering the explanation offered by the appellant for the delay in re-presenting the petition papers, this court is inclined to modify the order of the learned Judge, by deleting the costs of Rs.25,000/- imposed on the appellant, while condoning the delay in re-presenting the petition.”

5. This order of Hon'ble Division Bench was followed by the Hon'ble Single Judge in A.No. 1219 of 2023 in Arb.OP.DR.No.9142 of 2022 and the same was allowed without cost. The portion extracted is hereunder:

"In view of the earlier order passed by the learned single Judge in Application No.1232 of 2023 dated 03.03.2023 which had been modified by the Division Bench of this Court in O.S.A.No.66 of 2023 by judgment dated 29.03.2023, I am inclined to set aside the impugned order passed by the Learned Master.

Accordingly, this application is allowed. However, there shall be no order as to costs".

6. Though this Court is not completely satisfied with the reason stated by the applicant and that too when it is the duty of the litigant to get it signed and approved from the registry before presenting the case, it is not proper for the applicant to blame that the delay was on the part of registry and that too with no evidence to substantiate the averments made in the affidavit filed in support of the applications, considering the fact that the delay is only in refiling and not in filing and following the orders passed by our Hon'ble Division Bench in OSA.No.66 of 2023 which was followed by the Hon'ble Single Judge in A.No. 1219 of 2023 in Arb.OP.DR.No.9142 of 2022, this court has no hesitation to take lenient view in these applications and is inclined to allow these

applications.
