ORDER

The prayer in this Writ Petition is to call for the entire selection list on the file of the 2nd respondent pursuant to the selection list of 410 Assistant Engineers by direct recruitment-2012 published on 6.7.2012 and quash the same in so far as candidates with lesser marks than the petitioner in Backward Class (BC) quota and direct the respondents to select the petitioner to the post of Assistant Engineer (EEE) by Direct Recruitment-2012.

2. It is the case of the Writ Petitioner that, on the basis of the recruitment of the 2nd respondent for the post of Assistant Engineer/Electrical, the petitioner applied under the 'Backward Class' community, paid the required fees on 18.04.2012, and submitted the application on 26.04.2012. petitioner participated in the interview on 26.04.2012 and performed well in the said interview. The petitioner further submitted that he was quite confident that he would get the job. However, to his shock and surprise, when the selection list was published by the respondent, the petitioner's name was not found in the list.

3. The selection of 600 candidates was declared by the respondent out of which 410 candidates alone were selected. The petitioner’s name was not found in either list of 600 candidates or the final list of 410 candidates, and thereby, the petitioner, challenging, the selection process has filed the present Writ Petition.

4. This Court has perused the selection list of 600 candidates, which is enclosed at page 27 of the typed set of papers. The reservation as well as the marks were properly calculated by the 2nd respondent, and only thereafter, the selection of the candidates was completed and the selection list was published. This Court finds that there is no illegality in the selection process. In view of the same, the Writ Petition stands dismissed. Consequently, the connected Writ Miscellaneous Petitions are closed. No costs.
