3.Learned counsel for the applicant submits that the non-filing of the aforesaid documents during the filing of the suit is neither willful nor wanton and the said documents are very much essential and further submits that no prejudice would be caused to the respondents, if the said documents were marked and sought for allowing this application.

4.Learned counsel for the respondents, on the other hand, filed a counter stating that they have already completed their cross examination based on the documents available on record and any introduction of new documents, which are unverified and xerox copies without due certification would alter the evidentiary position and further submitted that in so far as documents 5 to 8 are concerned, they have already been marked through PW1 as Ex.D2 to Ex.D6 and thus, this application is an abuse of process of law and sought for dismissing the application.

5.It is seen from the records that documents 1 to 4, 8 & 9 are xerox copies and the same could not be permitted to be marked as exhibits and though the learned counsel for the respondents submits that the said documents have already been marked by them during the cross examination of PW1, considering the submissions of the learned counsel for the applicant that some aspects need to be brought on record, the documents 5 to 7, which are mentioned as originals are permitted to be received and marked as exhibits subject to proof and relevancy.

6.Accordingly, this application is disposed of in the above terms. Parties are directed to appear before the learned Master on 08.04.2026. No costs.
