ORDER

The writ petition is filed for a mandamus directing the respondents 1 to 3 to permanently reopen the blockade of the pathway to the petitioner's property in Survey No.375/2 through the seventh respondent's property in Survey No.372 within the time frame fixed by this Court.

2. Upon hearing the learned counsel for the petitioner and perusing the material records of the case, it could be seen that when the petitioner had fenced his property and put up a gate, right in front of the gate, the seven respondent had originally piled up earth so that the petitioner had no ingress and egress.

3. It was also pleaded that the crop was ready for harvest. However, it is submitted by the learned counsel for the petitioner that the said blockage was removed for the purpose of harvest and the standing crops are now harvested.

Now the petitioner wants only a permanent solution.

4. With reference to the permanent solution, since the petitioner is claiming easementary right in respect of carrying agricultural produce, it will be open for the petitioner to approach the appropriate civil Court to declare his rights and as and when such a suit is filed, the Court concerned shall take up the matter as expeditiously as possible.

5. With the above liberty reserved to the petitioner, the writ petition stands disposed of. Consequently, connected miscellaneous petition is closed.

No costs.
