ORDER

In a proposed suit for recovery of a sum of Rs.1,41,36,070/- (Rupees One Crore Forty One Lakhs Thirty Six Thousand Seventy only) with interest thereon from the first respondent, the intending plaintiff has requested for leave to dispense with notice under Section 80 of the Code of Civil Procedure, 1908 (CPC) insofar as the second respondent is concerned.

2. In the affidavit in support of the application, it is stated that the suit claim is directed against the first respondent and that the second respondent has been arrayed as a party because certain communications have been addressed to the said party. It is also stated that the delay that would be caused by serving notice under Section 80 of CPC would defeat the object of the suit.

3. Considering the aforesaid, this application is allowed as prayed for. As a corollary, the Registry is directed to number the suit, if otherwise in order.
