These petition have been filed by the defacto complainant seeking cancellation of the statutory bail granted by the XVIII Metropolitan Magistrate, Saidapet, Chennai in Crl.M.P.No.14521 of 2024 dated 16.08.2024, Crl.MP.No.12771 of 2024 dated 19.07.2024 and Crl.M.P.No.12336/2024 dated 18.07.2024.

2. The learned senior counsel appearing on behalf of the petitioner herein submitted that it is case of robbery and the accused/second respondent in all the petitions herein joined hands with other accused and robbed a sum of Rs.1.5 crores and immediately F.I.R was registered and totally 11 persons were arrested including the accused/second respondent in all the petitions. Subsequently they have confined in prison and all of them have filed a bail petition before the concerned Magistrate and bail was also granted to them by the XVIII Metropolitan Magistrate, Saidapet, Chennai with a condition that they shall report before the respondent police every day until further orders.

3. This Court has also ordered notice to the accused/second respondent in all the petitions to hear them regarding the allegations levelled in this petition. Though notice was ordered to the petitioner herein and it was reported that the

accused/respondent are not residing in the said address and they have given a false address to obtain bail. This Court is also directed the Government Advocate to verify the place of residence and also they are complying with the condition imposed in the bail order.

4. The learned Government Advocate reported that after granting bail the accused/second respondent in all the petitions have not complied with the conditions imposed in the bail order. Hence, the petitioner has come forward with the present petition seeking cancellation of bail.

5. I have gone through order passed by the concerned Jurisdictional Magistrate and one of the condition is that the accused/second respondent in all the petitions shall report before the police every day until further orders. Since the amount involved is nearly about 1.5 crores only 40.91 lakhs alone was recovered and since there is a clear violation of the bail condition granted by the Magistrate Court I am of the view that it would be appropriate to cancel the bail granted to the respective bail petitioners/ accused in all the above Criminal Original Petitions. Accordingly this petition is ordered.
