W.P.No.6873 of 2026

2. When the permission is accorded by the people in that locality and a private individual has come forward to construct the bridge for public good, it is unnecessary for the petitioner to file the present writ petition on certain filmsy grounds.

3. The learned counsel for the petitioner would submit that there is a possibility of causing obstruction to the free flow of water.

4. The learned Additional Government Pleader, would oppose the same by stating that a study was made and appropriate permission was granted by following procedure.

5. Since the petitioner has not established even a semblance of any legal right, the present writ petition is not maintainable and the same stands dismissed. There shall be no order as to costs. Consequently, the connected miscellaneous petition is closed.
