This Writ Petition is filed seeking for a direction to the respondent Nos.1 and 2 to consider the petitioner's representation, dated 27.03.2026 and to take necessary action against the third respondent in accordance with law.

2. It is the case of the petitioner that she sent a complaint on 27.03.2025 to the respondent Police making specific allegations against the third respondent that the third respondent had informed that he was unmarried and promised to marry the petitioner. Since, both started living together as husband and wife. She also became pregnant and later, on coming to know about the same, the third respondent started avoiding the petitioner. He had also taken money from the petitioner on various dates totalling to Rs.4,00,000/-. Now, the said Suresh is unable to be reached and the money has also not been paid. She also came to know that the third respondent had married to another girl and living with his wife in the Police Quarters, Pattinapakkam. When the petitioner questioned the third respondent, he threatened her and chased her away. Hence, the complaint is lodged, but, no action has been taken. In support of her contention, the petitioner also produced some photographs showing that she married the

3. The learned Additional Public Prosecutor submits that the complaint of the petitioner was received by the post on 27.03.2025. Thereafter, followed by another complaint on 13.12.2025, an enquiry was conducted by the Inspector of Police (Crimes), Adambakkam Police Station and a notice was sent to the petitioner in the address given. Three notices were sent on 19.01.2026, 16.01.2026 and 21.01.2026. Despite the same, she had failed to appear and participated in the enquiry. Hence, in the enquiry, the statement of the third respondent was recorded.

4. It is seen that the petitioner has been making false claim as she was deceived and had a relationship with the third respondent. Further, the third respondent had denied about receipt of any money from the petitioner and the petitioner, being friendly with the him, later, taking advantage of the same, had been making unreasonable demand which was resisted and thereafter, false complaints have been lodged. Recording the same, the enquiry officer had closed the enquiry.
