6. For the foregoing reasons, this Writ Petition is disposed of by directing the respondents to complete the survey and demarcation of boundaries of the property of the petitioners morefully disclosed in the prayer as well as the respondents, within a period of three (3) weeks from the date of receipt of a copy of this order. After completion of the survey and demarcation of boundaries, if the petitioners still find that there is an encroachment upon their property, they are granted liberty to initiate proper action against the respondents in respect of the said encroachment. There shall be no order as to costs. Consequently, the connected miscellaneous petition is closed.
