ORDER

This application is filed to set aside the ex-parte order dated 12.06.2019 passed against the applicants / defendants 5 to 7 in the above suit.

2. The delay occurred in filing the application to set aside the *ex parte* order against the applicants / D5 to D7 has already been allowed. The suit is still

pending and the trial has not been opened. Only if the *ex parte* order is set aside and the applicants / defendants 5 to 7 are allowed to file written statement, they may be able to participate in the trial. In fact the applicants have filed this application to set aside the *ex parte* order along with the written statement. The applicants have already paid cost to the respondents in compliance of the conditional order passed in the application to condone the delay in filing the application to set aside the *ex parte* order. Considering these aspects, I feel this application can be allowed.

3. Accordingly, this application is allowed.
