(Order of the Court was made

This writ petition under Article 226 of the Constitution of India,  
styled as Public Interest Litigation, seeks to challenge the notification

issued by the 4th respondent University dated 04.03.2026, which, according to the petitioner, does not exempt persons with benchmark disabilities from payment of examination fee for the upcoming April-May 2026 semester examination.

2. Learned counsel for the petitioner submitted that the G.O. (Ms.) No.113, Higher Education (G1) Department, dated 28.06.2024 was issued by the Government granting exemption from payment of examination fees for the persons with benchmark disabilities pursuing higher education in Government/Government Aided Educational Institutions under various departments in the State of Tamil Nadu. She further submitted that the 4<sup>th</sup> respondent, in its revised circular dated 25.09.2025 had extended the benefits of the aforesaid G.O. to such persons. However, in the impugned notification dated 04.03.2026, there is no specific provision for waiver of examination fees for persons with benchmark disabilities/blind persons.

3. Learned standing counsel for the 4<sup>th</sup> respondent University, on instructions, submitted that each student is provided with an User-ID and Password through which the student is supposed to login and enter the relevant details and the said transaction shall be only

between the University and the student. Even if the web portal did not provide for any platform/provision for exemption of payment of examination fee for the physically challenged students/persons with benchmark disabilities, when it moves to the next command for them to upload other details, like disability certificate, etc., it would, in turn, entitle the student to get exemption from payment of examination fee. She would point out that the petitioner is unable to show any instance where any student was refused the benefit of exemption. She would, therefore, submit that the petition itself is misconceived and the same is liable to be dismissed.

4. Heard the learned counsel for the parties.

5. In view of the statement made by the learned counsel for the respondents/University and taking note of the fact that the petitioner has not shown any instance where a student was refused the benefit of exemption, we are of the firm view that the benefit of exemption from payment of examination fee has been extended to all the persons with benchmark disabilities as per the G.Os. issued by the Government from time to time. Therefore, we are not inclined to entertain this writ petition.
