2. It is the case of the petitioner that she applied for the Grade II Police constables, Grade II Jail Warders and Fire Man-2025 examination. She cleared the written examination and thereafter, during the Phase II Physical Efficiency Test she got injured, as a result of which, she was unable to complete the same. Since she is now recovered, she is seeking another chance for the Phase II Physical Efficiency Test which was not considered by the respondent. Therefore, the petitioner is before this Court.

3. Heard the learned counsel on either side and perused the materials available on record.

4. From the records, it is clear that the petitioner had been injured and consequently, could not participate in the subsequent events. She claims a right to seek a mandamus on the ground that the injury was no fault of hers and therefore, she should be heard. However, the notification has in great detail given the academic and other qualification experience for each post and under the heading 'உடல் உறுதி தேர்வு' in Part III, the notification deals with the Physical Efficiency Test wherein it is stated as follows:

“(IV)தேர்வுமையத்தில் எச்சுழுநிலையிலும் உடல்நலக்குறைவு அல்லது எவ்விதமான காயங்களுக்காகவும் மறுவாய்ப்பு வழங்கப்பட மாட்டாது.”

By reading of the same, it clearly shows that the candidates cannot seek rights if they are injured. If one of them is permitted to do the retest, then, it would open the Pandora's box. Considering the fact that the petitioner has been given enough warning in the form of notification prospectus, this Court, cannot step into the shoes of the recruiting authority. Consequently, this writ petition stands dismissed. No costs.
