ORDER

2. Now, the review petitioner would submit that the writ appellate Court did not consider the rehabilitation Scheme, which was provided by the Authorities for job assistance.

3. The very submission made by the learned counsel for the petitioner comes within the category of re-hearing the appeal, which cannot be done by this Court under the review jurisdiction. Only the error apparent alone can be considered.

4. This, in our view, is not an error apparent . Hence, the present Review Application stands **dismissed**. No costs.
