The petitioner sent a representation on 19.02.2026 seeking police protection to fence his property. Since no action has been taken, the present writ petition has been filed.

2. The contention of the petitioner is that in the year 1996, the Government had allotted a land and issued house patta to him. Since the petitioner wanted to fence his property, the petitioner paid the required amount to the Government to survey the land and mark the boundaries. Accordingly, his land had been surveyed and boundary stones had been laid. However, the petitioner's neighbour, by name, Anjapuli, the 3<sup>rd</sup> respondent herein, had removed the boundary stones. Hence, the petitioner gave a complaint to the Chief Minister's Cell. Thereafter, Police officials from Kanai Police Station came and conducted inspection and held talks with both parties. Then the petitioner was once again asked to apply for survey of the land. Since there was no response, the petitioner approached the District Consumer Disputes Redressal Commission with a complaint. On receipt of notice from the Consumer Forum, the revenue authorities had taken steps. Hence, the complaint was withdrawn. Thereafter, the Tahsildar, along with surveyor and Village Administrative Officer had measured the entire property on 13.06.2025 and laid survey

stones in the presence of the Sub Inspector of Police/the 2<sup>nd</sup> respondent herein. Even thereafter, the 3<sup>rd</sup> respondent has been threatening the petitioner and not permitting him to fence the property.

3. Learned Additional Public Prosecutor appearing for respondents 1 and 2 submitted that the 3<sup>rd</sup> respondent Anjapuli had been objecting to the laying of boundary stones and that after the General Elections, adequate police protection would be provided to the petitioner for fencing his property.

4. Considered the submissions and perused the materials on record.

5. In view of the above, this Court directs the Sub Inspector of Police, Kanai Police Station/2<sup>nd</sup> respondent herein to provide adequate police protection to the petitioner so as to enable the petitioner to fence his property. If there is any objection by the 3<sup>rd</sup> respondent or any other person, without any valid reason or Court orders, appropriate action including coercive action to be taken against the obstructors.

6. The writ petition is disposed of with the above direction..
