2. The case of the petitioner is that he was appointed as a Junior Engineer Trainee in the first respondent Corporation on 21.06.1989 and retired from service on attaining the age of superannuation on 31.05.2025 as Senior Assistant Engineer. However, the terminal benefits have been settled to the petitioner only on 11.03.2026 and no interest has been paid for the delayed period. Therefore, the petitioner had submitted a representation to the respondents dated 16.03.2026, to pay the interest for the delayed period. Since the same was not considered, the present writ petition has been filed.

3. The learned Standing Counsel for the respondents would fairly submit that the respondents are willing to pay the interest at the rate of 6% per annum for the belated payment of the eligible and admissible amount.

4. Heard the learned counsel for both sides and perused the materials available on record.

5. In view of the above submission of the learned Standing Counsel, this Court deems it appropriate to direct the respondents to pay interest at the rate of 6% per annum for the belated payment of eligible and admissible terminal benefits from the date of retirement till the date of actual disbursal of the terminal benefits of the petitioner, within a period of six weeks from the date of receipt of a copy of this order.

6. With the above directions, the writ petition is disposed of. No costs.
