The appellants herein, being aggrieved by the refusal check slip issued by the Sub-Registrar, SRO Mulanur, filed W.P.No.6607 of 2025 praying for the issuance of Writ of Certiorarified Mandamus to quash the impugned refusal check slip.

2. This Court, on considering the grounds challenging the impugned check slip, has quashed the refusal check slip dated 27.01.2026 issued by the respondent and directed the respondent to consider the document presented for registration on its merits, in accordance with law and to take a final decision.

3. Not being satisfied with the said order, the present Writ Appeal is filed on the ground that the learned Single Judge ought to have exercised the discretionary jurisdiction to issue a positive direction for registration.

4. Before the learned Single Judge, the refusal check slip dated 27.01.2026 and the reasons assigned were subjected to scrutiny. The learned Single Judge has rightly quashed the refusal check slip and granted liberty to the

writ petitioners to present the document along with necessary records for fresh consideration. It is the responsibility and duty of the Registering Authority to consider the document and act in accordance with law.

5. This Court cannot step into the shoes of the Registering Authority and pass positive orders to register the document. Therefore, the Writ Appeal is not maintainable.

6. Hence, the Writ Appeal stands dismissed. There shall be no order as to costs.
