For Plaintiff: MS Bharath

ORDER

Mr.M.S.Bharath, learned counsel for the plaintiff would invite my attention to an e-mail dated 04.08.2025 sent by the first defendant, in and by which, the first defendant has stated as follows:-

> " *We implemented measures to deny registrations of domain names containing "galaxyhealth". Also, list of domain names phonetically similar to galaxyhealth were included into our systems and registration will be denied, if the applicant for registration has an Indian business address.*
>
> *In any case, we are committed to cooperating with third parties and legal authorities and taking actions on reported infringing domains (e.g., suspension). Therefore, if you become aware of any other active domain name potentially being registered illegally, please inform us immediately so that we can take appropriate action."*

2. Learned counsel for the plaintiff states that the plaintiff is satisfied if the said statement of the first defendant is recorded and the suit is disposed of in terms of the same.

3. In view of the above, since the plaintiff is satisfied with the representation of the first defendant and already settled the matter with the proposed third defendant, who was identified by the first defendant, I do not see any impediment for the suit being disposed of recording the e-mail dated 04.08.2025 sent by the first defendant o the plaintiff.

4. The suit is decreed as prayed for recording the statement of the first defendant made in the e-mail dated 04.08.2025 which is extracted for ready reference hereunder:-

> " *We implemented measures to deny registrations of domain names containing "galaxyhealth". Also, list of domain names phonetically similar to galaxyhealth were included into our systems and registration will be denied, if the applicant for registration has an Indian business address.*
>
> *In any case, we are committed to cooperating with third parties and legal authorities and taking actions on reported infringing domains (e.g., suspension). Therefore, if you become aware of any other active domain name*

potentially being registered illegally, please inform us immediately so that we can take appropriate action."

5. The suit is decreed in the above terms and as already indicated in the order in A.No.892 of 2026, the said order and decree in A.No.892 of 2026 shall form part and parcel of the decree in the suit. No costs. Consequently, all applications are closed.
