The petitioner has applied to the jurisdictional authority for conducting survey of the petition-mentioned lands and for demarcation of the boundaries. Since the authority had not acted upon the petitioner's request, this writ petition came to be filed.

3. The Writ Petition is disposed of with the following directions:-

a) The petitioner is directed to submit her application in on-line mode.

The survey authority will scrutinize if the application submitted by the petitioner is in order. Patta need not be in the name of the applicant. If patta is in the name of the vendor and mutation has not been effected, still the application can be considered.

e) If according to the jurisdictional authority, the objections are without any basis, the same shall be overruled and the objectors shall be informed accordingly.
