ORDER

The writ petition is filed praying for a Writ of Certiorari, to call for the records of the impugned Order of the 2nd Respondent in Na.Ka.No.327/2025 /Mines A/ dated 27.02.2026 and quash the same.

2. The learned counsel for petitioner and respondents in unison submitted that the issue raised in the present writ petition stands covered by the order of this Court in *W.P.Nos.15471 of 2020, 36268 of 2024, 32338 of 2025, 32510 of 2025 and WP (MD) No.18827 of 2025. To avoid multiplicity, the relevant portions of the order dated 21.02.2025 passed in W.P.No. 36268 of 2024 [Mani Omega granites (P) Ltd Vs. The Government of Tamil Nadu, rep by its Secretary to Government, Industries Department, Fort St. George, Chennai 9]* are extracted hereunder:

2. *When the matter came up for hearing, the learned counsel appearing on behalf of the petitioner, drew the attention of this Court to the impugned order passed on 30.09.2024. Referring to paragraph No. 7 of the impugned order, the learned counsel for the petitioner submitted that the entire penalty was levied on the petitioner only on the ground that the petitioner did not obtain the environmental clearance within the prescribed date and continued the quarry operation and therefore the penalty was imposed. The same is factually incorrect. The petitioner had obtained the environmental clearance on 19.07.2016, which was well within the last date, i.e., 10.01.2017. In similar matters, without relegating the parties to appellate or other remedies, this Court itself has allowed several writ petitions, including W.P. No. 15471 of 2020, among others.*

3. *The learned Advocate General appearing on behalf of the respondents submitted that, in the case of the petitioner alone, if the order is within the time limit, the same order could be passed.*

4. *In view of the above, this writ petition is allowed on the following terms:~*

(i) *The impugned order made in Na.Ka.No.A/G&M/297/2019 dated 30.09.2024 stands quashed, as the petitioner had obtained the environmental clearance on 19.07.2016, well before the last date.*

3. Accordingly, the Writ Petition stands disposed of on similar terms.

In the present case, petitioner obtained environmental clearance on 15.07.2016 which is well within the cut off date of 10.01.2017. Consequently, this Court is inclined to extend the benefit of the aforementioned order to the petitioner. Consequently, the connected miscellaneous petition is closed. There shall be no order as to costs.
