ORDER

The petitioner seeks limited relief of expeditious disposal of E.A.No.8 of 2026 pending on the file of Additional District and Sessions Court-II, Poonamallee.

2. Learned counsel for the petitioner submits that the petitioner has been successful in obtaining an Award in his favour in the Arbitration Proceedings way back on 05.03.2025 and despite putting the said award into execution, the executing Court has not disposed of EP No.8 of 2026 where the petitioner has sought for recovery of possession of the subject property from the respondents/judgment debtors.

3. It is seen from the records that the executing Court ordered publication and the respondents/judgment debtors 1 and 2 have been set exparte. However, strangely the executing Court posted the matter for exparte evidence. As seen from the daily status dated 19.06.2026, the executing Court is only executing the Award passed by the learned Arbitrator and I do not see any scope for any fresh evidence being let in in the execution petition. However, the executing Court has to dispose of EP No.8 of 2026 on

CRP No. 3715 of 2020

merits and for such purpose, summary enquiry has to be conducted as indicated in the very same daily status.

4. In view of the matter being posted to 31.07.2026, it is made clear that the Executing Court shall hear the counsel for the petitioner/decreed holder and dispose of E.P.No.8 of 2026 on merits and in accordance with law by 30.09.2026.

5. With the above direction, the civil revision petition is disposed of. No costs.
