**ORDER**

The above review application has been filed by the fourth respondent in W.P.No.15914 if 2026 seeking to review the order dated passed in the said writ petition on 24.04.2026.

2. The writ petition is filed by the first respondent herein for a mandamus directing the respondents 2 to 4 to disburse the gratuity amount of Rs.24,24,209/- due to him along with interest as per Rule 45(A) of the Tamil Nadu Pension Rules, within a time frame. After hearing the parties, this Court had directed respondents 2 to 4 herein to consider the representation in accordance with law and disburse the gratuity amount due to the writ petitioner along with interest at 10% per annum and if required, to get a necessary undertaking from the parties concerned. The said exercise was directed to be completed within a period of three months.

3.The review petitioner who is the fourth respondent in the said writ petition, has sought to the review the order in W.P.No.15914 of 2026 on the ground that the writ petitioner stood as guarantor for the loans availed by one I.Joshua Samuel, the principal borrower from the review petitioner-Society, and if the amounts are disbursed to the writ petitioner, he would not be in a position to recover the amounts due to the Society. It is also their grievance that even

before the disposal of the writ petition, they had addressed a communication to the third respondent requesting them not to pay the gratuity amount to the first respondent. They had also brought to the notice of the Court that the gratuity amount has been disbursed to the first respondent / writ petitioner.

4. Heard the learned counsel appearing for the review petitioner and the first respondent/writ petitioner.

5. The review petitioner has not made out any grounds for reviewing the order. The review petitioner has not been able to show how the order in W.P.No.15914 of 2026 suffers from an error apparent on the face of the records or that new facts have been discovered which are required to be brought to the notice of the Court. That apart, this Court had only directed the respondents 2 to 4 herein, who are the respondents 1 to 3 in the writ petition to process the representation and thereafter pass orders.

6. Since no ground has been made out by the review petitioner to review the order in question, this review petition is dismissed. No costs.
