2. It is to be noted that on earlier occasion, petitioner had approached this Court in W.P.No.17409 of 2026 and this Court, by order dated 29.04.2026, recording that petitioner in person was unable to explain what is his actual grievance and the relief sought in the writ petition and observing that it is for petitioner to approach the competent authority with proper complaint and finding that the writ petition is completely frivolous and is not maintainable, dismissed the writ petition. For better understanding, the order dated 29.04.2026 is extracted under:

> *"The petitioner/party-in-person had filed the above writ petition against the Secretary General, Supreme Court of India, The Registrar General, High Court of Madras and The Director General of Police, Puducherry with the following reliefs:-*

> > *"For the reasons stated in the accompanying affidavit it is therefore prayed that this Hon'ble Court may be pleased to issue a writ of mandamus to direct to inform and guide the petitioner as to where the petitioner may seek justice and protection from illegal people who are forcing the petitioner severely attempt suicide. India are safeguarding and favouring them and they are subjecting the petitioner to severe unlawful pressure and harassment and are acting in a manner that forces the petitioner to attempt suicide. By doing so, they are attempting to escape permanently from the petitioner's complaints and cases unlawfully. Therefore, the petitioner humbly pray this Hon'ble Court may be pleased to issue order or direction to the 2nd respondent and 3rd respondent to answer for the petitioner questions which are mentioned in the petitioner's petition dated 03.02.2026.Further, the petitioner humbly pray this Hon'ble Court may be pleased to order or direction the 3rd respondent to comply with the petitioner's petition dated 03.02.2026 and also order the 3rd respondent to confirm that appropriate justice has been rendered on the petitioner's petition dated 03.02.2026, because the 3rd respondent and others have extremely harassed the petitioner and petitioner's family members and snatched the petitioner and petitioner's family members fundamental rights unlawfully and they violated, misused and abused their powers unlawfully by way of favouring and safeguarding the illegal people who are giving a lot of extreme harassments with cruellest punishment and deliberately forcing the petitioner severely to attempt suicide, further these illegal people are

thinking that the Puducherry Police Department, the High Court of Madras and the Supreme Court of India are favouring and safeguarding them. Therefore, these illegal people are taking extreme advantage and trying to kill the petitioner and petitioner's family members' lives unlawfully."

2. The petitioner-in-person is not able to explain what is his actual grievance and the relief sought for in the present writ petition.

3. If at all the petitioner has any grievance against any action, where according to him, an illegality has been committed, then it is for the petitioner to approach the competent authority with proper complaint.

4. The present writ petition filed is completely frivolous, and it is not maintainable. Accordingly, the writ petition stands dismissed. There shall be no order as to costs."

3. In paragraph 13 of the affidavit in the present writ petition, petitioner has stated that when he approached this Court on earlier occasion in W.P.No.17409 of 2026, this Court dismissed the writ petition without reading the affidavit and typed set of papers. We find from the order that we have heard the party-in-person and dismissed the writ petition. If at all petitioner in person is

aggrieved, proper remedy is to file an application for review or an appeal before the Supreme Court. However, petitioner has chosen to make an averment in the present affidavit that this Bench has passed an order without reading the written statement and the affidavit, which, in our considered opinion, is a gross abuse of process of Court.

4. In the affidavit filed in the present writ petition, running to 42 pages, petitioner has narrated several instances and he has not specified in respect of which issue he is aggrieved and what relief he is seeking. In the prayer column, he seeks a relief that the case filed by him is pending in SR stage and has to be transferred from the Single Judge to this Bench. Even today, petitioner is unable to explain as to what is his actual grievance, but, merely states that he has been harassed by the authorities and suffered to the maximum. If at all petitioner has any grievance, it is for him to approach the competent authority and without doing the same, petitioner has indulged in filing cases repeatedly.
