COMMON ORDER

Since the issue involved and the relief sought in both these Writ Petitions are identical in nature, the same were heard together and decided of vide this common order.

2. These writ petitions have been filed seeking a direction to the 3rd respondent, The Tamil Nadu State Transport Corporation to return the deducted 1/3 amount from the basic pension, along with 10% interest for the belated period.

3. It is the specific submission of the learned counsel for the petitioners that though the petitioners opted for a commuted pension on superannuation, the respondents did not settle the commuted pension amount. However, they started deducting 1/3 of the commuted pension amount from the petitioners' monthly pension.

4. At this juncture, the learned Standing Counsel appearing for the third respondent submitted that due to financial constraints, the Corporation was not in a position to settle the commuted pension amount to the petitioners immediately. However, after sometime, the respondents subsequently settled the commuted pension amount along with interest for the belated payment, which fact is not seriously disputed by the learned counsel for the petitioners.

5. Considering the fact that the respondents have subsequently paid the commuted pension amount along with interest, nothing survives for further adjudication in these matters.

6. Accordingly, these writ petitions are dismissed. No costs.
