ORDER

This contempt petition has been filed in the background of the order passed by this Court on 28.06.2023, wherein the following orders were passed in Paragraph 14:

> *"14. Considering the submissions, it is further ordered that the dues payable to the petitioner by the 3rd respondent shall be calculated as per the order of the District Collector and paid to the petitioner on or before 15th September 2023."*

2. This order was subsequently challenged belatedly before the Hon'ble Division Bench. However, the appeal was dismissed at the delay

condonation stage on 24.09.2026 in C.M.P.Nos.18725 and 18727 of 2025 in W.A.Nos.SR 121427 and 121448 of 2025. As no further challenge has been made, the order of the Division Bench in the above writ appeal has attained finality.

3. The Learned Additional Advocate General for the respondents would submit that the amount payable to the workmen employed by the petitioner is to be paid. He further submitted that whatever amount was earlier paid had also not reached the workmen employed by the petitioner for the Solid Waste Management Service in Gudalur and Nelliyalam Municipalities, Nilgiris District.

4. The Learned Additional Advocate General, therefore, requested that the Court appoint an advocate commissioner to disburse the amount directly to the beneficiaries, namely the workers employed by the petitioner in the respective municipalities in Nilgiris District.

5. On a specific query as to whether the petitioner was maintaining any muster roll for the respective municipalities, it is informed by both the learned counsel for the petitioner and the learned Additional Advocate

General for the respondents that the muster roll was prepared and had been authenticated by the respondent commissioner through their offices.

6. It is also fairly conceded by the learned Additional Advocate General that the difference in the wages to be paid to the workers pursuant to the orders of the Collector can be directly paid to the beneficiaries.

7. The learned counsel for the petitioner would submit that he has no objection to the same.

8. Considering the above, with the consent of the learned counsel for the petitioner and the learned Additional Advocate General representing the respondents, the following orders are passed:

i) The petitioner shall furnish the KYC details of each of the daily wage workers employed by the petitioner under the contract, together with all the details necessary to make a direct transfer by the office of the municipalities. This method will be without prejudice to the rights of the respondents and shall not, in any event, be treated as creating an employer-employee relationship between the respective municipalities and the workers.
