Order

This writ petition has been filed seeking a direction the first to third respondents to survey and demarcate the boundaries of the petitioner's land measuring an extent of 1.76 acres in S.No. 256/5A and 257/4C1, situated at Erayarpalaiyam Village, Kallakurichi Taluk, Kallakurichi District, by considering the petitioner's online application dated 17.08.2026 and 31.08.2026.

2. The case of the petitioner is that she is the absolute owner of the subject property and is in peaceful possession and cultivation of the same. When she moved an application for a structural survey and boundary demarcation, the second respondent omitted to perform the same, citing oral objections and boundary disputes raised by the adjacent landowners. Therefore, the petitioner submitted an online application on 17.08.2026. Since her request has remained unfulfilled, the petitioner has approached this Court and filed this writ petition.

3. The learned Additional Government Pleader appearing for the first and second respondents submitted that if a specific time frame is fixed by this Court, the first and second respondents will consider the application and pass orders on its own merits and in accordance with the law.

4. Heard both sides and perused the materials available on record.

5. Since no adverse order is being passed against the respondents four to six at this stage, notice to them is dispensed with, and this writ petition is taken up for final disposal.

6. Considering the limited nature of the relief sought, this Court, without expressing any opinion on the merits of the boundary configurations, directs the first and second respondents to consider the petitioner's online survey application in accordance with law and on their own merits within a period of eight (8) weeks from the date of receipt of a copy of this order after issuing notice to the petitioner, the adjacent landowners and any other counter-claimants or interested individuals. If the need arises for police assistance and on a request made by the first and second respondents, the jurisdictional police shall render the necessary assistance for the effective implementation of this order.

With the above directions, this writ petition is disposed of. No costs.
