Order

This writ petition has been filed seeking a direction to the second and third respondents to conduct a survey to fix the boundaries with respect to the petitioner's land comprised in Survey No. 183/1, pursuant to the petitioner's online application vide E-Challan dated 18.05.2026 and for consequential orders.

2. The case of the petitioner is that the subject property in Survey No. 183/1 at Periyakurukkai Village originally belonged to her husband as ancestral property and partly through a registered sale deed; subsequently, her husband executed a registered settlement deed in her favour, following which her name was included in Patta No. 1150. As the property is vacant land covered with thorn bushes, making it highly difficult to localize the boundaries for constructing a small house, the petitioner submitted an online application for a boundary survey and remitted the necessary charges vide E-Challan No. 20260518027920 dated 18.05.2026. However, despite multiple representations

and repeated visits to the office of the Tahsildar, there was no action. Aggrieved by the said inaction, the petitioner has approached this Court and filed this writ petition.

3. The learned Special Government Pleader appearing for the respondents submitted that if a specific time frame is fixed by this Court, the first and second respondents will consider the petitioner's application and pass appropriate orders on its own merits and in accordance with the law.

4. Heard both sides and perused the materials available on record.

5. Since the core issue involved in this writ petition is the localization of boundaries based on a paid application, without expressing any opinion on the merits of the claim, this Court directs the second and third respondents to consider the petitioner's online application dated 18.05.2026 and complete the process within a period of eight weeks from the date of receipt of a copy of this order, in accordance with the rules, after providing an opportunity of hearing to the petitioner and all the adjoining landowners concerned. It is made clear that this Court has not expressed any opinion on the merits of the claim made by the petitioner**.** If there is any dispute relating to the title or *inter-se* civil rights over the property, the parties are at liberty to approach the competent Civil Court for appropriate relief.
