Taluk, Villupuram District, pursuant to the e-Challan No.2025/0123/07/011036, dated 06.11.2025.

2. The petitioner claims to be the absolute owner of vacant lands measuring 85.50 Ares, comprised in Survey Nos.203/12E, 203/2C2 and 203/5, situated at Arungurukkai Village, Thiruvennainallur Taluk, Villupuram District, having purchased the same under registered sale deeds from one Padmavathi. The petitioner submits that he has been in peaceful possession and enjoyment of the said properties without any disturbance. The petitioner further submits that, after purchasing the aforesaid properties, he intended to put up fencing around the same and, therefore, submitted an application to the respondents for survey and demarcation of the boundaries. The requisite survey charges were also remitted through e-Challan. It is the grievance of the petitioner that, despite payment of the requisite survey charges, the respondents have not taken any effective steps to conduct the survey and demarcate the boundaries of his lands. The petitioner states that he had also submitted a representation dated 22.07.2026, requesting the respondents to conduct the survey and fix the boundaries of the aforesaid lands. However, the same has not been acted upon, thereby causing hardship and inconvenience to the petitioner in identifying and protecting his properties.

3. Heard both sides and perused the records.
