**Order**

This writ petition has been filed seeking a direction to the first and second respondents to consider the petitioner's Online Application No. 2026/0123/36/003045 dated 03/10/2026 to measure and fix boundaries.

2. The case of the petitioner is that he purchased the subject property via a registered sale deed dated 20.03.2017. He is in continuous possession, but states that the land was not measured or fenced at the time of purchase. Therefore, he submitted an application to the first and second respondents dated 03.10.2026. Since no action was taken, the petitioner approached this Court by filing this petition.

3. The learned Government Advocate appearing for the first and second respondents submitted that a physical field survey was duly scheduled and steps were taken on 29.10.2026. However, the survey could not be executed or concluded on the said date due to resistance and non-cooperation from the adjacent private landowners and if a specific time frame is fixed by this Court, the official respondents will pass orders on their own merits and in accordance with the law.

4. Heard both sides and perused the materials available on record.

5. Since the core issue involved in this writ petition is consideration of the application to measure the land and fix boundaries, this Court directs the second respondent to consider the petitioner's online application dated 03.10.2026 and complete the physical survey, measurement, and boundary demarcation of the subject property within a period of four weeks from the date of receipt of a copy of this order, on its own merits and in accordance with the law, after providing an opportunity of hearing to all the parties concerned, including the third respondent.

6. It is made clear that this Court has not expressed any opinion on the merits of the claim made by the petitioner. If there is any dispute relating to the title or *inter-se* civil rights over the property, the parties are at liberty to approach the competent Civil Court for appropriate relief.

7. With the above directions, this writ petition is disposed of. No costs.
