R.E.A.No. 01 of 2025 in respect of the property by considering the petitioner's representations dated 09.10.2026 and 10.10.2026.

2. The case of the petitioner is that he had submitted an application dated 08.07.2026 seeking a survey and demarcation of the property. This Court, *vide* order dated 12.09.2026, disposed of the writ petition directing the concerned authorities to dispose of the same. While so, notice was issued to the petitioner pursuant to the order passed in W.P.No.36855 of 2026. The grievance of the petitioner is that the order passed in W.P.No.36855 of 2026 directs that the official respondents therein shall not involve themselves in such proceedings or take any action affecting the rights of the parties unless specifically directed by the competent Civil Court. Admittedly, as litigation is pending before the Civil Court, the third and fourth respondents have attempted to interfere with the petitioner's possession.

3. Without going into the merits of the case, as notice was already been given to the petitioner, the said objections can be raised before the concerned authorities and the said authorities shall record the same and conclude the proceedings as expeditiously as possible and dispose of the same on its own merits and in accordance with the law.
