PRAYER IN CMP.No. 28963 of 2026: This Civil Miscellaneous Petition is filed under Section 5 of the Limitation Act, to condone the delay of 821 days in filling the application to set aside the abatement against the 2nd appellant in above second appeal in S.A.No. 1119 of 2014 and thus render justice.

For Petitioners: Mr. M.Elango
For Respondent(s): Mr.V.Murali

ORDER

This Civil Miscellaneous Petition has been filed to condone the delay of 821 days in filing the application to set aside the abatement caused due to the death of the 2nd Appellant.

2. According to the petitioners, they are the legal heirs of the deceased 2nd appellant. During the pendency of the appeal, the 2nd appellant died leaving behind the petitioners as his legal heirs. Therefore, they have filed this petition to implead them as the legal representatives of the 2nd Appellant. Since the applicants are the agriculturalists and pre-occupied in the agricultural work,

they are unable to inform the death of the 2nd Appellant to their learned counsel and take steps to implead them as parties in the case. Therefore, there is delay of 821 days in filing this petition to set aside the abatement caused due to the death of the 2nd appellant.

3. The respondents denied the contention of the affidavit and filed the counter stating that the reasons stated by the petitioners are not genuine and the petitioners has left over the matter for nearly 2½ years and now they have not properly explained with adequate and acceptable reasons and thereby, resisted the petition.

4. This court heard both sides and perused the records.

5. The petitioners are the legal heirs of the 2nd Appellant and the 2nd Appellant died during the pendency of the appeal on 15.02.2024 and these petitioners are the legal heirs of the deceased 2nd Appellant. Though the petitioners stated the reasons that they are the agriculturalists and pre-occupied with the agricultural work, they have not filed any sufficient proof for the same. However, in order to give a fair chance to the petitioners to prosecute the appeal and also considering the number of days of delay, it is appropriate to allow this petition.
