2.The case of the prosecution is that on 13.10.2026, at about 3:00 p.m., the defacto complainant, the Assistant Director of the Department of Geology and Mining, Perambalur, was conducting a vehicle inspection alongside his office staff to prevent the illegal transportation of minerals. At approximately 4:10 p.m., a lorry bearing Registration No. TN 20 CZ 2396, which came through that route, was stopped and inspected. Upon inspection, it was found that the vehicle was transporting 10 tonnes of pebble stones (Koozhangal) without a valid Government Transit Permit. While the mineral quantity in the vehicle was being measured, the driver fled from the spot. Hence, the case.

3. The learned counsel for the petitioners submitted that the petitioners have a valid transit permit for their transportation, moreover, they are not in a scene of occurrence. He further submitted that they are innocent and they have been falsely implicated in this case. He further submitted that the petitioners have ready to abide by any conditions that may be imposed by this Court. Hence, he prays to grant anticipatory bail to the petitioners. The learned counsel for the petitioners voluntarily submitted that he undertakes to pay a sum of Rs.50,000/- as non-refundable deposit to any of the welfare scheme without prejudice to his defense.

4. Per contra, the learned Government Advocate (Criminal Side) appearing for the respondent police strongly opposed the grant of anticipatory bail to the petitioners. He submitted that the petitioners were caught red-handed while illegally transporting a total of 3.5 units of pebble stones without any valid transit passes or legal documents. However, on instructions, he confirmed that the vehicle and the seized pebble stones have already been secured by the respondent police. He further submitted that if this Court is inclined to grant the relief, the petitioners may be directed to deposit the proposed non-refundable amount to the credit of the concerned District Mineral Foundation Trust.

5. I have given my anxious consideration to either side submissions.

6. From the submission made by the learned Government Advocate (Criminal Side) and the learned counsel for the petitioners, though, this Court views the offence of theft of natural resources and its exploitation as serious offence, and upon the fond hope that he would mend himself in future and would not come under the adverse notice of the respondent and also considering the fact that the petitioners have no criminal antecedents, this Court is inclined to enlarge him on anticipatory bail, subject to certain conditions.

7. Accordingly, the petitioners are ordered to be released on bail in the event of arrest or on their appearance, within a period of fifteen (15) days from
