ORDER

(Order of the Court was made by Sunder Mohan J.)

The petitioner seeks extension of time to surrender in prison. The petitioner, who is an under-trial in C.C.No.1 of 2025, was taking treatment in a private hospital since 06.06.2026. This period was extended periodically pursuant to the orders passed by this Court. On 30.09.2026, this Court has passed the following orders:

> *"This Court, by order dated 31.08.2026, closed these petitions by granting eight wees time to the petitioner to take complete treatment in a private hospital and with a direction to the Registry to list this matter today for an interim report. Out of the said period of eight weeks, now, almost four weeks time is over.*
>
> *2. In such view of the matter, after completion of four weeks, let the petitioner be re-transferred to the prison. If any further treatment is required, the petitioner shall be produced before the Medical Board for the Government doctors to assess his medical condition and decide on the further course of treatment.*
>
> *As stated in the opening paragraph, since the instant miscellaneous petitions were already closed on 31.08.2026, no further order needs to be passed in these petitions today".*

2. This Court finds no reason to extend the time granted for surrender, which would be contrary to the earlier orders passed by this Court. Hence, the petitioner is directed to surrender before the Central Prison, Puzhal, on or before 31.10.2026. A Medical Board of Government Doctors shall assess the medical condition of the petitioner on the day of his surrender and decide the further course of treatment as observed by this Court in the order dated 30.09.2026.
