COMMON ORDER

The Review Applicants herein are the appellants in S.A.Nos.343, 350, 351 and 352 of 2023. Challenging the concurrent findings of the courts below, the Review Applicants have preferred the Second Appeals and they have contested the Second Appeals. On hearing both sides, the Second Appeals were disposed of in common with a direction. Now, they have filed this Review Application to review the common judgment passed by this Court by revisiting the entire findings of this Court.

2. Records perused. In the Second Appeals, on hearing both sides, this Court had elaborately discussed about the grounds, which are raised by the Review Applicants. However, on perusal of Review Applications, this Court found that there is no ambiguity in the judgment passed by this Court and there is no error on the face of record, but the grounds submitted on the side of Review Applicants to review the order by revisiting the entire findings of this Court and the reasons assigned by the review applicants is to re-appreciate the entire facts, which is beyond the scope of Review Application as per the dictum laid down by the Apex Court and the same are not maintainable in law and the grounds raised to review the common judgment also not sustainable one. Accordingly, these Review Applications are dismissed as no merit. Consequently, connected Civil Miscellaneous Petitions are closed.
